[1]

1. Compiled in 1991 to assist other genealogists in researching their family lines and save wear and tear on these valuable books. Much genealogy information is contained in this book even though a small minority showed more interest in bloodlines of their horses and cows. It is hoped that someone will take leadership in having this book or sections reprinted - perhaps for the 150th ANNIVERSARY OF IOWA. Those with sketched biographies are indicated by '***'. Some birth and death dates have been added from other records. Compiler is a descendant of Rev. S. A. ELLIOTT, NANCY MELVINA HAMMER, LOUISA M. MARK, AARON RUSH and JAMES SPENCER. Loren S. Elliott, 9718 Sunset Terrace, Clive, IA 50325.
